Without limiting the rights and remedies available to COUNTY under any other provision of this Contract, failure to cure such default within ninety (90) days of notice by the Los Angeles County CSSD shall be grounds upon which the County Board of Supervisors may terminate this Contract pursuant to Section 45.0 Termination For Default of The CONTRACTOR.

- 8. **Part V. FURTHER TERMS AND CONDITIONS**, Section 58.0 is added to the Contract as follows:
 - 57.0 COMPLIANCE WITH JURY SERVICE PROGRAM
 - 57.1 Jury Service Program.

This Contract is subject to the provisions of the COUNTY's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

- 57.2 Written Employee Jury Service Policy.
 - Unless CONTRACTOR has demonstrated to the COUNTY's satisfaction either that CONTRACTOR is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from the CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.
 - 57.3. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the COUNTY or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of CONTRACTOR. "Fulltime" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the COUNTY, or 2) CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If CONTRACTOR uses any subcontractor to perform services for the COUNTY under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
 - 57.4 If CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, CONTRACTOR shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service

Program, and CONTRACTOR shall immediately notify COUNTY if CONTRACTOR at any time either comes within the Jury Service Program's definition of "Contractor" or if CONTRACTOR no longer qualifies for an exception to the Program. In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time during the Contract and at its sole discretion, that CONTRACTOR demonstrate to the COUNTY's satisfaction that CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that CONTRACTOR continues to qualify for an exception to the Program.

- 57.5 CONTRACTOR's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, COUNTY may, in its sole discretion, terminate the Contract and/or bar CONTRACTOR from the award of future COUNTY contracts for a period of time consistent with the seriousness of the breach.

- 11. ATTACHMENTA, **STATEMENT OF WORK**, Section 5.3, **ONGOING OPERATIONAL SUPPORT.** is amended to add the following:
 - 5.3.5 Certification of Eligibility for Participation CONTRACTOR in collaboration with DPSS and/or Alternative Payment Providers (APPs) shall ensure elementary school children participating in the After-School Enrichment Program meet one of two categories. This determination shall be based on the following: the child has been approved for CalWORKs, Food Stamps, Medi-Cal, (with zero share-of-cost), or child care under the CalWORKs Stage 1 Child Care Services Contract. DPSS and/or APPs will provide requested information/data to assist CONTRACTOR in the process of Certification of Eligibility for Participation. - 12. ATTACHMENT A, **TECHNICAL EXHIBITS**, **Technical Exhibit 6.0**, PERFORMANCE REQUIREMENTS SUMMARY (PRS) SECTION 6.1.1, Introduction is deleted in its entirety and replaced by the following:
 - 6.1.1 This technical exhibit lists the required services which will be monitored by the COUNTY during the term of this Contract. It indicates the required services, the Standards for performance, maximum deviation from Standard before service will be determined to be unsatisfactory. The COUNTY'S point method of monitoring, and the unsatisfactory performance indicator points which may be assessed if the service is not satisfactorily provided.

All listing of "Required Service" or "Standard" used in this Performance Requirements Summary (PRS) are intended to be completely consistent with the main body of this Contract and Statement of Work (Attachment A), and are not meant in any case to create, extend, revise, or expand any obligation of CONTRACTOR beyond that defined in the main body of this Contract and Statement of Work. In any case of apparent inconsistency between Required Services or Standards as stated in the main body of the Contract, Statement of Work and this PRS, the meaning apparent in the main body and Statement of Work will prevail. If any Required Service or Standard seems to be created in this PRS which is not clearly and forthrightly set forth in the main body or Statement of Work, that Apparent Required Service or Standard will be null

and void and place no requirement on CONTRACTOR, and will not be the basis of the assignment of any Unsatisfactory Performance Indicator (UPI) points. Because the provision of After-School Enrichment services for children served by the Department is of vital importance to the mission of DPSS, the COUNTY expects a high Standard of CONTRACTOR performance. COUNTY will work with the CONTRACTOR to resolve any areas of difficulty brought to the attention of the County Contract Administrator (CCA) by the CONTRACTOR before the allowable deviation from acceptable Standard should occur. However, it is the CONTRACTOR'S responsibility to provide the services set forth in the Statement of Work, and summarized in the PRS.

- 13. ATTACHMENT A, **TECHNICAL EXHIBITS**, **Technical Exhibit 6.0**, SECTION 6.1.2 PERFORMANCE REQUIREMENTS SUMMARY CHART, Attachment 1, is deleted in its entirety and replaced by the following:
 - 6.1.2.1 Provides the Section or Paragraph where referenced (Column 1 of chart).
 - 6.1.2.2 Defines the Standard of Performance for each required service (Column 2 of chart).
 - Shows the maximum Allowable Deviation from Perfect Performance (ADPP) for each Required Service that is allowed before COUNTY assesses Unsatisfactory Indicator Points (Column 3 of chart).
 - 6.1.2.4 Shows the quality assurance methods the COUNTY will use to evaluate the CONTRACTOR's performance in meeting the contract requirements (Column 4 of chart).
 - Shows the quarterly Unsatisfactory Performance Indicator (UPI) Points to be assessed for exceeding the ADPP, for each listed contract requirement (Column 5 of chart). These indicators may serve as the baseline for assessing the need to terminates this Contract.
- 14. ATTACHMENT A, **TECHNICAL EXHIBITS, Technical Exhibit 6.0**, SECTION 6.1.3 QUALITY ASSURANCE is deleted in its entirety and replaced by the following:
 - 6.1.3 Each quarter, the CONTRACTOR's performance will be compared to this Contract's Standards and Quality Assurance Criteria (QAC 's) using the Quality Assurance Monitoring Plan (QAMP). The Quality Assurance Evaluator (QAE) has the right to monitor CONTRACTOR more often if, in the judgement of the QAE, there is reason to do so. COUNTY may use a variety of inspection methods to evaluate the CONTRACTOR's performance. The methods of monitoring that may be used are:
 - 6.1.3.1. Random sampling [For random sample tables/methods to be used, refer to book entitled "Handbook of Sampling for Auditing and Accounting" (second edition) by Herbert Arkin];
 - 6.1.3.2 100% inspection of items, such as reports and invoices, on a

periodic basis (daily, weekly, monthly, quarterly, semiannually or annually) as determined necessary to assure a sufficient evaluation of CONTRACTOR's performance:

- 6.1.3.3 Review of reports and files maintained by the CONTRACTOR;
- 6.1.3.4 On-site evaluations and monitoring;
- 6.1.3.5 Evaluation of complaints.
- 15. ATTACHMENT A, **TECHNICAL EXHIBITS**, **Technical Exhibit 6.0**, 6.1.5 CONTRACT DISCREPANCY REPORT (CDR) is deleted in its entirety and replaced by the following:
 - 6.1.5 Performance of a listed service is considered unacceptable when the number of discrepancies found during contract monitoring procedures exceeds the number of discrepancies allowed by the ADPP (as per 6.1.2.3). When the performance is unacceptable, the CONTRACTOR may be required to respond to a CDR as follows:
 - 6.1.5.1 CCA will verbally and in writing notify the Contract Manager or alternate of a contract discrepancy within five (5) business days of discovery of the discrepancy. When possible, the problem shall be immediately resolved by the Contract Manager. The CCA will determine whether a CDR (Technical Exhibit 6.1 Attachment II) will be issued.
 - 6.1.5.2 If a CDR is issued, it will be mailed or personally delivered, at CCA's discretion, to the Contract Manager or alternate.
 - 6.1.5.3 Upon receipt of a CDR, CONTRACTOR is required to respond in writing to the CCA within five (5) business days acknowledging receipt of the CDR, presenting contrary evidence or providing explanation for the questioned action, and presenting a program for immediate corrective action of all failures of performance identified in the CDR within ten (10) business days.
 - 6.1.5.4 The CCA will evaluate CONTRACTOR's explanation on the CDR and if the CCA determines that unsatisfactory performance was caused by circumstances beyond CONTRACTOR's control and without fault or negligence by CONTRACTOR, the CCA shall decline to count such point(s) as unsatisfactory performance for the quarter.
- 16. ATTACHMENT A, **TECHNICAL EXHIBITS**, **Technical Exhibit 6.0**, 6.1.6 CRITERIA FOR ACCEPTABLE OR UNACCEPTABLE PERFORMANCE is deleted in its entirety and replaced by the following:
 - 6.1.6.1 Determination of the number of defects that renders a service unsatisfactory:

The sample is selected at random so that it will be representative of the entire population. It is compared to the standard and conclusions made about CONTRACTOR performance for the whole group. The random sampling plan includes the following information:

- ADPP The maximum percent of defects that can be accepted and still meet the Contract Standard for satisfactory performance.
- Lot Size the total number of unit or services to be provided:
- Sample Size the number of units to be checked in a given time period; and
- Acceptance/Rejection Numbers the numbers which indicate whether the lot is acceptable or unacceptable.
- The ADPP for each sampling is taken from the PRS. The lot size is determined by estimating how often CONTRACTOR will provide a service during the sample period. To ensure each service has an equal change of being selected, a random number table is used to determine the sample.
- 6.1.6.3 The UPI points assessed from the sample size shall be applied to the lot size. For example, a sample size of two hundred (200) selected from a lot size of 20,000, with an ADPP of five percent (5%), allows for 10 acceptable discrepancies. If 11 discrepancies are found, the entire lot is considered unsatisfactory. For example, if 4 points per incident are to be assessed, the following formula is used:
 - 11 + 200 (sample size) = 5.5%
 - ► 5.5% 5% = .5% over the ADPP
 - ► 5.5% x 20,000 (lot size) = 1,100 (# of unacceptable discrepancies)
 - ► 1,100/10 (reduction factor) x 4 (UPI points) = 440
- 6.1.6.4 A reduction factor of 10 will be applied to the assessment of UPI points in determining total points assessed.
- 6.1.7 Remedy of Defects is deleted in its entirety and replaced by the following:

Regardless of findings of unsatisfactory service and assessment of Unsatisfactory Performance Indicators, CONTRACTOR must, within a reasonable time period specified by COUNTY, remedy any and all defects in the provision of CONTRACTOR's services and, as deemed necessary by the CCA, perform such services again at an acceptable level.

6.1.8 Unsatisfactory Performance Remedies is deleted in its entirety and replaced by the following:

When CONTRACTOR performance does not conform with the requirements of the Contract, COUNTY will have the option to apply the following nonperformance remedies:

- 6.1.8.1 CONTRACTOR shall implement a formal corrective action plan, subject to approval by COUNTY, in response to a Contract Discrepancy Report (CDR). In the plan, CONTRACTOR must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence. Evidence of curing the discrepancies cited in the CDR shall be in accordance with Section 6.1.5.
- 6.1.8.2 COUNTY shall issue a CDR to CONTRACTOR when the Unsatisfactory Performance Indicator (UPI) point total exceeds 800 points for all factors during any one month during the term of this Contract.
- 6.1.8.3 COUNTY shall issue a CDR to the CONTRACTOR and a notice to the Chief, Supportive Services Division, DPSS when the UPI point total exceeds 1200 points total for all factors during any one month during the term of this Contract. A copy of the notice shall also be delivered to CONTRACTOR per Section V, Paragraph 37.0 of this contract.
- 6.1.8.4 COUNTY shall issue a CDR to the CONTRACTOR and a notice to the Director, DPSS when the UPI point total exceeds 1600 points for all factors during any one month during the term of this of this Contract or a second notice to the Chief, Supportive Services Division, DPSS was warranted pursuant to Section 6.1.8.3 above. A copy of the notice shall also be delivered to CONTRACTOR per Section V, Paragraph 37.0 of this contract.
- 6.1.8.5 COUNTY shall issue a Notice to Cure and a notice to the Board of Supervisors including recommendation of remedial actions when the UPI point total exceeds 2000 points for all factors during any one month during the term of this Contract, or a second notice to the Director, DPSS was warranted pursuant to Section 6.1.8.4 above. COUNTY and CONTRACTOR shall follow the steps below to resolve the Notice to Cure.
 - 6.1.8.5.1 COUNTY will in all cases provide a thirty (30) business day written Notice to Cure.
 - 6.1.8.5.2 COUNTY and CONTRACTOR shall meet and confer within three (3) business days of CONTRACTOR's receipt of Notice to Cure.

- 6.1.8.5.3 Within five (5) business days of the meet and confer, CONTRACTOR shall produce a plan of correction, specifying the action to be taken to cure and the time within said action will be completed. Such actions must be completed within a reasonable time as determined by the COUNTY.
- 6.1.8.5.3 COUNTY shall respond to the plan within three (3) business days of receipt thereof.
- 17. ATTACHMENT A, TECHNICAL EXHIBITS, Technical Exhibit 6.0, Technical Exhibit 6.2, Monthly Management Report (MMR) is deleted in its entirety and replaced by the following:
